An act to add Section 25210.9d to the Government Code, relating to county service areas.

LEGISLATIVE COUNSEL'S DIGEST

AB 1634, as introduced, Keene. County service areas.

Existing law authorizes the establishment of county service areas as an alternative method of furnishing extended governmental services in unincorporated areas.

This bill additionally would authorize the board of supervisors, in its capacity as the governing board of a county service area, to contract with any state or federal agency to finance any improvements relating to any extended services the county is authorized to provide.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 25210.9d is added to the Government  
2 Code, to read:  
3 25210.9d. The board of supervisors, in its capacity as the  
4 governing board of a county service area, may contract with any  
5 state or federal agency to finance any improvements relating to any  
6 extended services or miscellaneous extended services the county  
7 service area is authorized to provide. If the contract obligates the  
8 county service area to repay all or part of any amount so financed,

- 1 the board may dedicate to the repayment of that debt all or part of
- 2 the revenue from revenue sources of the county service area
- 3 established for the support of the authorized service to which the
- 4 improvement relates.
